

**Revisions and Errata List**  
**AISC Steel Design Guide 17, 1<sup>st</sup> Printing (Printed Copy)**  
**October 15, 2012**

The following list represents corrections to the first printing of AISC Design Guide 17, *High Strength Bolts: A Primer for Engineers*.

<b>Page(s)</b>	<b>Item</b>
47	In left column, in the last two lines before Section 8.6 begins, the fourth requirement should be changed from “(4) the supplier is not permitted to supply bolts and nuts that came from different manufacturing sources” to “(4) the supplier is not permitted to supply bolts and nuts from different galvanizing processes (mechanical or hot-dipped).”
